*From
Danny's Desk*

Dear Customers and Associates

Another great year is about to be over and I believe even better year is about to start.

It is the perfect time to look at what we have been doing for the past year and what we want to do in the coming year.

We are training new staff so we can serve you better. In the New Year we intend to roll out an electronic clocking system where workers will clock in and out using a mobile app.

For our regular customers paper based time sheets will be a thing of the past. With the new system we will get the time info of the worker in real time and we will know the exact location of the worker at the point of clock in and out. The system will save lot of money and time for our customers and us. Also this is very powerful for the customers who have workers on site. You will know the GPS location of the worker at the point of the clock in and out.

In Feb 2016 we will be contact you to get your feedback of our service. Any suggestions you may have which may help us to improve is very welcome.

We could not have done what we did without your help. So, thank you

Kind Regards

Danny Sena

From Our New Recruitment Consultant:

Hi Everyone,

It has been a great year and we are looking forward to the new year. If you ever need any help for labour hire please make sure you contact us, we are happy to help. This year alone we have given many employment opportunities and definitely are looking at increasing that next year. If you think that you have any vacancies please let us know - we might have the perfect employee for you as we have a large data base of work ready clients.

All the best
Kenton

EMPLOYEE OF THE MONTH

Employee of the Month is Larry Gartlan, for his great work that he has done for various sites around Melbourne. He is always reliable and works hard. Congratulations Larry, you have won a double pass to the Village Gold Class Cinema!

And Remember...
